

LSLA

LSLA Safeguarding Policy

The LSLA is committed to ensuring its members, guests and sponsors have an enjoyable experience and are treated with respect.

Accordingly, it expects its members, guests and sponsors to adopt behaviours and conduct that are consistent with this commitment.

If you have any concerns about inappropriate language or behaviour at any of our events, please do raise those concerns in a way that is most comfortable to you. This could be by speaking to members of the LSLA Committee or Junior LSLA Committee who are present at the event, or by emailing either Nikki Edwards (Nikki.Edwards@templebright.com) or John McElroy (jmcelroy@hausfeld.com). Subject to any legal or regulatory obligations on the Association, anything you raise with us will be treated sensitively, confidentially and will not be taken further without us discussing with you first.

In adopting this policy the LSLA does not intend to confer or limit any legal rights or expectations.
