

Informal dinner after AGM – 7.00pm for 7.30pm

Guest Speaker: Mr Justice Birss

We are honoured that Mr Justice Birss has agreed to speak at our AGM dinner. Mr Justice Birss was appointed to the High Court in 2013. His specialist area is Intellectual Property but more recently he has been heading the Committee implementing the Shorter Trial Procedure and the Flexible Trial Procedure pilots in the Rolls Building.

We hope that he will agree to take some questions from the floor.

Past speakers at this event include Lord Justice Briggs, Lord Falconer, Lord Sumption and Senior Costs Judge Hurst. The occasion is regarded as an opportunity for our speakers to talk more frankly and openly than is customary as the speech is under the Chatham House rule.

Please apply for tickets for the dinner online at www.isla.co.uk/events/programme or by completing the attached form and returning it to:
