

# Junior LSLA January Seminar

*“Technology and AI for litigators:  
What do you need to know and why?”*

Wednesday 30 January 2019

Kindly hosted by Reed Smith LLP, we are pleased to announce the details of the first Junior LSLA Seminar of 2019, as part of our series of events aimed at junior members of the profession.

We will be hearing from four expert panellists who will discuss how, as junior litigators, we can navigate the rapid developments in technology and prepare ourselves, and our clients, for the changes they may bring to conducting litigation.

We hope you can join us for what will be a fascinating discussion.
